DEAR FRIENDS OF SOCCER

This year the American Youth Soccer Organization starts its 34TH year of operation. Your help in sponsoring one or more of our teams is needed. For a \$250.00 donation you will provide each child on a team with a sweatshirt that displays the name of your business silk-screened on it. We have successfully done this for the past 33 years. For your charitable donation you will receive the same sweatshirt as the team you sponsor, and also a recognition plaque to display on your wall.

Our region has a terrific program. Last year we had over 1400 children from kindergarten to high school. As a matter of fact, we were again recognized as a platinum region! We are very proud of this accomplishment.

As the season gets cooler, the team players look forward to proudly wearing their sweatshirts that display your business and their team name. These sweatshirts are visible all around the Valley. We are a non-profit, tax-exempt organization, so your sponsorship donation is fully tax deductible. Our tax ID# is 95-6205398. Please make your check payable to AYSO REGION 137.

Thank you for your support and contribution to the children of this Valley. If you have any questions please do not hesitate to contact me at sponsorship@ayso137.net.

Sincerely,  
Joi Burden  
Sponsor Chairman/Sweatshirt Coordinator
